The Torres Cares and Shares Program

Humanitarian Aid | Disaster Relief | Environmental Care | Animal Rescue

Torres AI CI's Chairman, Jerry, is a leader and pioneer in delivering humanitarian aid and assistance to any person or community in need, and for human rights when governments and Non-Governmental Organizations (NGOs) fail to act. He leads, donates to, and works with at-risk and vulnerable people and communities, disaster recovery and relief missions and environmental expeditions in the United States and around the World.

Under his leadership, his global businesses, Torres Advanced Enterprise Solutions (Torres AES) and Torres AI CI, created a Humanitarian Aid, Disaster Relief, Disaster Recovery and Human Rights Directorate named **"Torres Cares and Shares"**. These teams consisting of people of every race, religion, ethnicity, culture and community are dedicated solely to helping at-risk and vulnerable people in the US and around the world.

Since its inception in 2008, Jerry and Torres Cares and Shares have donated millions of dollars and thousands of hours in volunteer service that continues to deliver front-line aid and assistance to communities in the US, Africa, Asia, the Americas, Eastern Europe, and the Middle East.
